HS Projects opens its second major group exhibition: Paradigm Store

Arts : Artdaily

7 hours ago

HS Projects announces the presentation of its second major group exhibition Paradigm Store at Howick Place, a new landmark development at the heart of Victoria's rapidly emerging cultural quarter, from 25 September to 5 November 2014. Paradigm Store examines the interface between art and design and the latent socio-economic and political forces that underpin it through new and recent work by seventeen UK and international artists.
